

WELCOME!!

Greetings incoming 6th grade students and parents !!

We are extremely thrilled for your transition into our youth ministry program here at First Free Methodist Church! Pastor Jan and I have been talking about this transition and we hope you look forward to it with anticipation and excitement. In order to make it a smooth one, the middle school youth workers and I have been making plans to welcome you into our youth ministry. We have planned a few welcome events that we hope will make your move up to the middle school program a positive one! But before I tell you about those events, let me introduce you to our middle school youth workers. These are some of my favorite people to be around and I am sure you will come to love them as well! They are looking forward to you moving up to our youth family. Do not be surprised when you receive a phone call or letter from one of us. We want to introduce ourselves, get to know you, and welcome you. We will also visit KidTown during the summer so you can put faces to names.
