

# HOMEBUILDERS HIGHLIGHTS

January 3, 2012

## “HAPPY NEW YEAR!”

No adult classes were held from Dec. 11 thru Jan. 1. There was an “all together” sanctuary service each of those Sundays. On Dec.4 we held our traditional class Christmas program with Fellowship refreshments furnished by the class members.

Taproot Theatre presented a special Christmas drama. This year, we invited the other adult classes to join us for this program and refreshments. About 200 were present. Another 200 joined us following the early Sanctuary service. A free will offering totaling \$948.00 was taken for Taproot.

The church staff sent a thank-you note to Homebuilders, saying “With many thanks for all your wonderful work creating a memorable Sunday morning with Taproot Theatre and a beautiful coffee hour.”

Co-chairmen Ivanelle Foreman and Virginia Fordice expressed their appreciation to the class in providing the program and all the food. They

were grateful to those who helped set up the tables and assisted with the clean up, and to David Dickerson for keeping the coffee flowing.
